Have a wonderful summer break!

Computer Programs

We are paying for Sokikom math and I-Ready on-line programs for your child to use over the summer. Your child knows their passwords for these programs. We would recommend 30 minutes per program a day. This will help your student to make progress over the summer.

Kindergarten Registration

Kindergarten Registration for the 2017-18 school year is now taking place at the Serna Enrollment Center. Please bring your child's shot records, birth certificate and proof of your address (SMUD, PG&E, or Water Bill). Children who will be 5 years of age by September 1, 2017 are eligible to register. Please register your child as soon

Safety First!!!!

The speed limit on residential streets around our school is 25 m.p.h. During congested traffic times speed should be reduced and extreme caution observed. Both parents and staff have reported unsafe driving behavior during drop off and pick up of students. **Please remember that the safety of our students is first and foremost.** Please avoid U-turns, double parking, dropping off in the street, and opening car doors facing the street. Please also have your child use the crosswalk rather than running across the middle of the street.

Thank You!

Thank you to all our parents and grandparents for helping in our classrooms and all of our school activities. We couldn't do it without your support!
